## **Summer Holiday Homework**

### **Class 1**

**Dear Parents,  
Warm Greetings!**

The new academic session began with lots of excitement, smiling faces, and joyful learning experiences. Though it has been only a short journey of one and a half months together, our little learners have already started feeling comfortable, confident, and happy in their school environment.

We truly enjoyed watching them learn new things, make friends, participate in activities, and grow each day with curiosity and enthusiasm. Now it is time for a refreshing summer break filled with fun, family bonding, creativity, and learning through everyday experiences.

Summer vacation is a wonderful opportunity for children to relax, explore, and spend quality time with their loved ones. We encourage you to help your child continue learning in simple and joyful ways.

**Here are few Suggestions for a Happy and Fruitful Vacation**

- ❖ **Encourage your child to read books daily.**
- ❖ **Help them practice good habits like arranging toys, folding clothes, and keeping their room clean.**
- ❖ **Spend quality family time by talking, playing indoor games, and sharing stories.**
- ❖ **Motivate your child to draw, colour, dance, sing, and explore creative activities.**
- ❖ **Encourage outdoor play and simple physical activities for a healthy routine.**
- ❖ **Teach your child to care for nature by watering plants and feeding birds.**
- ❖ **Limit screen time and encourage more interactive and hands-on experiences.**
- ❖ **Revise simple concepts taught in class through fun activities and conversations.**
- ❖ **Let your child enjoy the beauty of summer mornings and evenings with family walks and playful moments.**

Your love, encouragement, and involvement make a big difference in your child's learning journey. Together, let us help our little ones grow into happy, confident, and responsible learners.

Wishing you and your family a joyful, safe, and refreshing summer vacation!

Regards,  
BPS
